

**The Monsignor John T. Foudy
St. Anne School Endowment Fund**

November 8, 2013

Dear St. Anne School Alum,

As you know, St. Anne School has a long and successful history of educating students in the Catholic tradition in San Francisco since 1920. This success is due to the dedication and ongoing commitment of our pastors, school staff, parents, parishioners, and alumni. Without strong support from all of you, St. Anne School would not be able to offer the kind of high quality education that is grounded in the Catholic faith that we have all come to expect from our outstanding school. St. Anne School continues to be one of the leading schools within the Archdiocese of San Francisco.

To help ensure that our school continues to offer strong academic programs, provides students with an attractive and safe school building, and is able to offer tuition assistance to families in need, the Monsignor John T. Foudy St. Anne School Endowment Fund was established in 1988. Since the inception of the Endowment Fund, the principal has remained untouched and the interest it earns has been used over the past two decades to remodel classrooms, paint the interior and exterior of the school, replace all of the windows in the school, repave and restripe the school yard, purchase classroom technological equipment, and provide tens of thousands of dollars in tuition assistance to school families.

We can credit the existence of the Endowment Fund to the past generosity of all of those who have contributed to this fund since it began. These generous individuals have enabled us to do all of the aforementioned things while keeping tuition increases to a minimum. To continue this tradition and to keep up with the needs of our school and school families we are writing to request your participation in a new campaign to build up the Monsignor John T. Foudy St. Anne School Endowment Fund. The generosity and contributions from our past families and parishioners have made what your child enjoys today possible. We want to make sure that our current and future students will be able to enjoy the same high quality education.

In past campaigns, contributions have ranged from \$25 to \$1,000 and up. These contributions are entirely tax deductible and can be made in one payment or spread out over the course of the year or more. Please think about what you can contribute to St. Anne School and indicate the amount on the enclosed pledge card and return it to the school.

We sincerely hope that you will be able to give generously so that St. Anne School can maintain and build on the excellence that you have come to expect.

Sincerely,

Robert S. Ogilvie
